DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is a small, square-shaped log cabin, with walls of hewn squared logs (mostly oak), joined with V-notches at the corners. The front door, in the center of the building, is the only opening there. Beyond this, on the rear inside wall, is an old stove-flue, brick chimney. The roof has been removed, as the cabin is being dismantled for relocation at the M-NCPPC Patuxent River Park nearby.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

Extremely rare documented slave dwelling that was lived in here by the Savoy family. Log buildings, also once numerous in the County, are now also quite rare. An interesting feature here is that unlike most cabins, the spaces between the logs were filled with plaster and wood pieces-since the area has little suitable stone available.
